The New Kennedale High School

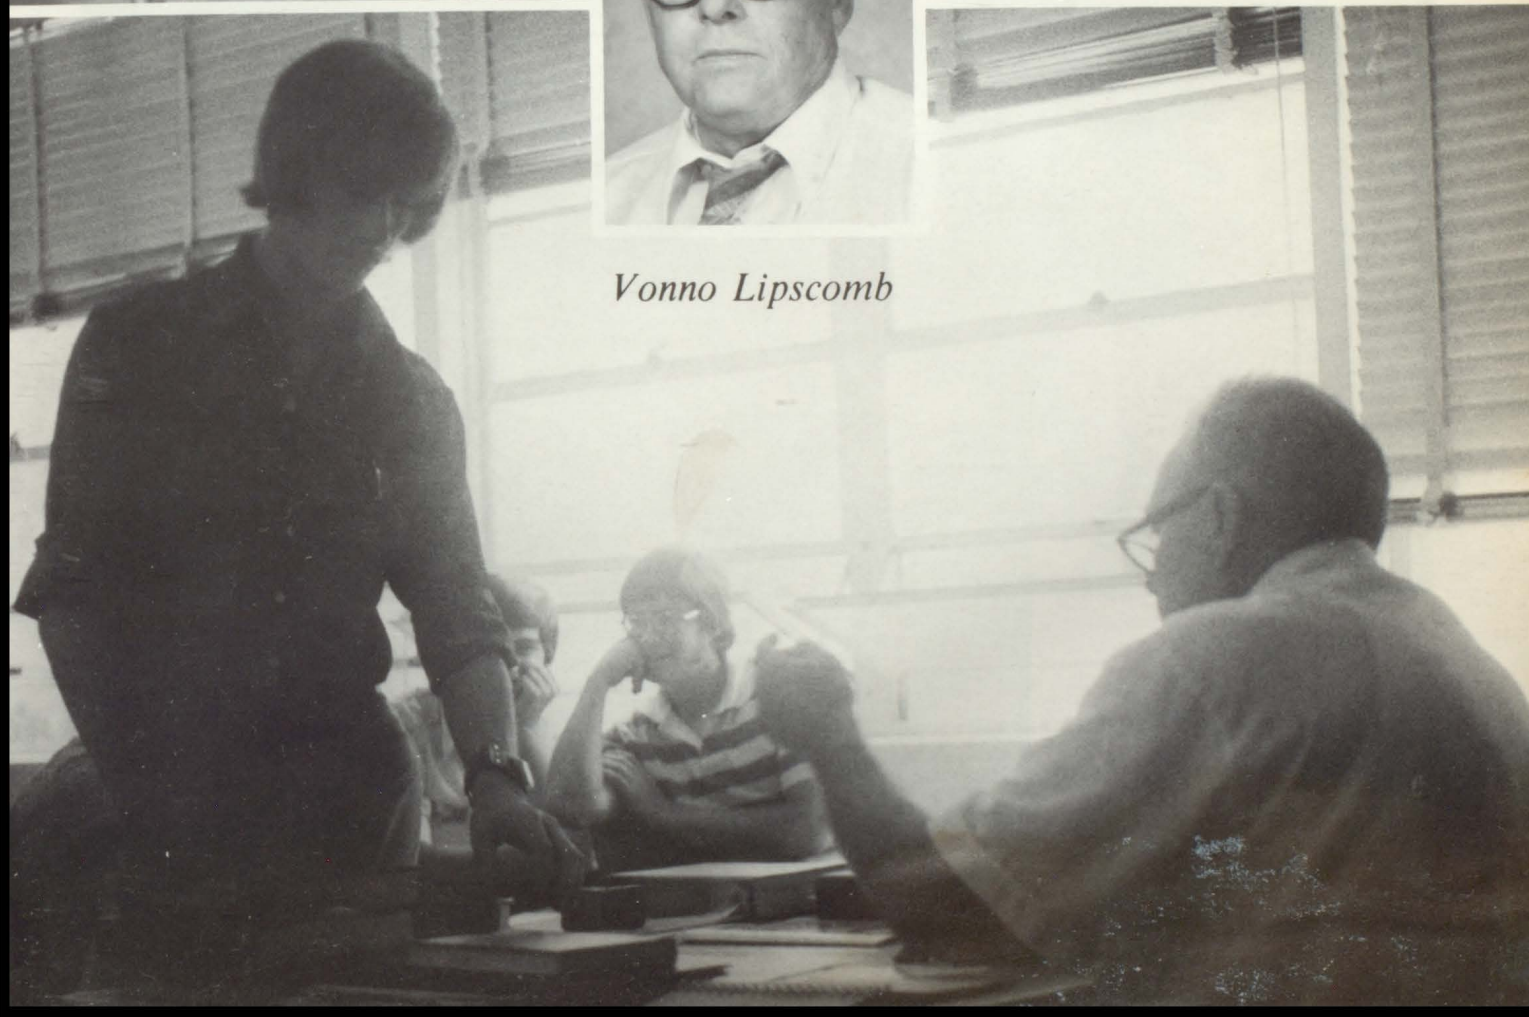

We the 1976-77 Wildcat's Track Staff dedicate this annual, in part, to the new Kennedale High School. We dedicate this collection of memories to those memories ahead in the new high school. Most of all, we dedicate this book to a zealous spirit and pride in the new K.H.S.

4. are chloroplasts?
5. what is chlorophyll?
For his untiring willingness and desire to teach and help those around him, we the '76-'77 Wildcat's Track Staff dedicate this page and book to teacher and faculty member Mr. Vonno Lipscomb.
